**Persian:** Native  
**Kurdish:** Native

### PUBLICATIONS

- ◆ **"Comparative Analysis of Math Education in Iran and Japan: Aligning with Global Trends"**  
*Indexed in: ISC*
- ◆ **"Exploring the Impact of AI-Driven Personalized Learning on Underrepresented Student Groups"**  
*Indexed in: ISI*

### SUMMARY

**Experienced front-end developer** with over **3 years** of expertise in **React.js** and **Next.js**, specializing in crafting high-performance, user-centric web applications. Additionally, with nearly **5 years** as a **science** and **English educator**, I bring strong **cross-cultural communication** and **problem-solving skills**. **Fluent in Japanese (N3)** and **English**, I am eager to contribute to **Japan's innovative tech** and **educational industries**.

### WORK EXPERIENCE

#### JavaScript Developer | VModel

Booking platform + Digital Agency for Models, Influencers, Photographers, Creators and PetModels  
08/2022 – 11/2022 (4 months) | London, England (Remote)

- Led a **4-member web development team** for 3 weeks, increasing **code quality and development speed by 30%**.
- Mentored junior developers by hosting knowledge-sharing sessions on JavaScript best practices, leading to a **50% improvement in their coding proficiency**.
- Collaborated with designers and stakeholders to ensure cross-functional alignment, fostering a **work environment promoting cultural exchange and innovation**.
- Partnered with the UX team to ensure cross-browser compatibility, resulting in a **20% improvement in user experience across devices**.

#### React Developer Intern | Clickhub (Noavaran Dadepardaz Click)

Organizational and Proprietary Software Solutions  
05/2022 – 08/2022 (4 months) | Tehran, Iran (Remote)

- Participated in daily stand-ups and sprint planning, contributing to Agile workflows and ensuring **smooth project progress tracking**.
- Translated UI/UX wireframes into functional React components, improving **development efficiency and user satisfaction**.
- Built and maintained reusable React components, leading to **reduced development time** and streamlined project workflows.
- Gained hands-on experience with tools and libraries like **Redux, Redux-Thunk, TypeScript, Material-UI, Formik, and Docker**, enhancing technical expertise.

#### Freelance Front-End Developer

11/2021 – Present (3+ years)

- Successfully completed **10+ freelance projects**, including responsive and user-friendly websites using **React.js, Next.js, and Vanilla JS**, achieving a **85% client satisfaction rate**.
- Implemented modular and reusable coding practices, resulting in a **20% increase in development speed and better maintainability**.
- Integrated third-party APIs and libraries (e.g., Axios, Redux) to enhance functionality, achieving a **25% improvement in website performance**.
- Simplified complex code, reducing over **300 lines to 40**, significantly improving readability and maintainability.

#### Science Teacher | Ministry of Education

08/2021 – Present (3+ years) | Tabriz, Iran

- Designed and implemented innovative teaching strategies, improving student engagement and understanding of complex scientific concepts.
- Gained practical experience in real-world classrooms, independently managing **25+ students per class** and observing seasoned educators.
- Successfully passed the **Konkur exam**, along with rigorous evaluations, to gain admission to **Farhangian University** (ranked 4th in Iran).
- Leveraged problem-solving and communication skills to deliver measurable improvements in student learning outcomes.

- ◆ “AI as a Collaborative Tool: Redefining Teacher-Student Interactions”  
*Indexed in: ISC*
  - ◆ “The Impact of Early Childhood Education on Neural Plasticity: A Neuroscientific and Educational Perspective”  
*Indexed in: ISC*
